

Shape of you

Vers 1 (Groove)

The club isn't the best place to find a lover, so the bar is where I go
Me and my friends at the table doing shots, drinking fast and then we
talk slow. You come over and start up a conversation with just me and
trust me, I'll give it a chance, now take my hand stop, put van the man
on the jukebox and then we start to dance and I'm singing like.

Pre-kvæd (Groove)

Girl you know I want your love.

Your love was handmade for somebody like me.

Come on now follow my lead. I may be crazy don't mind me say,

Boy let's not talk too much, grab on my waist and put that body on me,

Come on now, follow my lead, come come on now follow my lead.

MMm..

Omkvæd

I'm in love with the shape of you

We push and pull like a magnet do.

Although my heart is falling to,

I'm in love with your body.

And last night you were in my room.

And now my bedsheets smell like you.

Ev'ryday discovering something brand new.

I'm in love with your body..

Oh I oh I oh I oh I, I'm in love with your body

Oh I oh I oh I oh I, I'm in love with your body

Oh I oh I oh I oh I, I'm in love with your body

Ev'ryday discovering something brand new.

I'm in love with the shape of you!

Vers 2 (groove)

One week in we let the story begin, we're going out on our first date,
you and me are thrifty, so go all you can eat, Fill up your bag and I'll fill
up a plate. We talk for hours and hours about the sweet & the sour,
and how your family's doing okay. We leave and get in the taxi, kiss in
the backseat, tell the driver make the radio play, and I'm singing like.
