

# ROBYN "DANCING ON MY OWN"

## SOPRAN

Somebody said you got a new friend

Does she love you better than I can?

There's a big black sky over my town

I know where you're at, I bet she's around

Yeah, I know it's stupid,

I just gotta see it

*I'm in the corner, ooh,*

*Ooh,*

*I'm over here, ooh,*

*Ooh,*

*I'm giving it my all, but I'm not the girl you're taking home, ooh, Oooh.*

I'm just gonna dance all night

I'm all messed up, I'm so outta line

Stilettos and broken bottles, I'm spinning around in circles.

*I'm in the corner...*

Ahh---

The lights go on, the music dies---- Ahhh

I just came to say goodbye,

Somebody said you got a new friend

Does she love you better than I can?

There's a big black sky over my town

I know where you're at, I bet she's around

Yeah, I know----

I just gotta see it for myself

*I'm in the corner, watching you kiss her, ooh,*

*I'm right over here, why can't you see me, ooh,*

*I'm giving it my all, but I'm not the girl you're taking home, ooh*

*I keep dancing on my own*

I'm just gonna dance, all night, just gonna dance all night, yeah,

All messed up, outta line, so outta line.

Ahh, stilettos and broken, broken bottles, spinning around

*I'm in the corner...*

So far away but still so near, ah---

But you don't see me standing here, ah---
